House of Evulv

Logo system. The mark is a human figure growing into a tree from a twisted double stem, inside an open ring.

House of Evulv
PEACE | HEALING | EVOLUTION

Primary lockup. Use by default: website, letterhead, documents, email signatures.

House of Evulv
PEACE | HEALING | EVOLUTION

Stacked lockup. Use where space is square or vertical: social profiles, banners, plaques.

Reversed, on forest

House of Evulv

Without tagline, for small widths

Mark alone: favicon, app icon, stamp

House of Evulv

Wordmark alone: where the mark already appears

Clear space

Keep space equal to the height of the figure's head circle doubled (one quarter of the mark's height) on every side.

Minimum size

Primary lockup 30 mm or 140 px wide. Mark alone 8 mm or 24 px. Below 140 px, drop the tagline.

Sentinels of Peace

A seal built from the original concept: the dove and shield stay; the armoured guards, spears and sword are removed.

Seal, forest. Official documents, website, press.

Ceremonial seal, gold on forest. Certificates, plaques, stage backdrop, invitations. Foil or embossing ready.

Horizontal lockup. Web header, email, sponsor pages.

Horizontal, reversed

Compact mark, solid. Use when the seal is under 64 px or 20 mm.

Compact mark, outline. Engraving, single-line printing.

Compact mark, ceremonial

Seal, one colour black: fax, newspaper, rubber stamp

Clear space One tenth of the seal's diameter on every side.

Minimum size Seal 20 mm or 64 px. Below that, use the compact mark (minimum 6 mm or 20 px).

Manrope

All logo text is Manrope ExtraBold and Bold, converted to outlines in the files, so the logos never depend on the font being installed. Use Manrope for all brand material.

Do not

- Add 3D, bevels, gradients, glows or shadows
- Recolour outside forest, bone, black, white and ceremonial gold
- Stretch, rotate or rearrange the parts
- Retype the name in another font
- Place on busy photographs without a dark or light panel behind
- Bring back the guards, spears or sword to the Sentinels seal
